About Us:

Conduent is the world's largest provider of diversified business process services with leading capabilities in transaction processing, automation, analytics and constituent experience.

We work with both government and commercial customers in assisting them to deliver quality services to the people they serve.

The company has been incorporated in January 2017 as a result of spin-off from Xerox. We carry a legacy of 30 years of experience benefited from years as part of Xerox, and long-standing experience in business process management.
